From the past to the present and beyond...

The significance of the Cape Canaveral Lighthouse is that it is the only fully-operational lighthouse owned by the United States Air Force.

The 45th Space Wing's evolution into the Spaceport of the Future on Florida's Space Coast began in the 1940s and continues today providing a vast network of radar, telemetry and communications instrumentation support to facilitate the safe launch of all Department of Defense National Security Space, National Aeronautics Space Administration, National Oceanic and Atmospheric Administration, commercial and Naval Ordnance Test Unit's support to the Navy's Strategic Systems Program missions.

The purpose of the Cape Canaveral Lighthouse Foundation (CCLF) is to assist the 45th Space Wing in preserving, protecting, and interpreting the lighthouse and its historical significance to Florida's Space Coast, the State of Florida and our Nation.

The lighthouse tower was completed in 1868 and is 151 ft. tall. It's daymark is black and white horizontal stripes. During restoration in 2007, the original brass cupola was refurbished and set atop the tower.

The Foundation has approval from the Air Force to build the first keeper's cottage (one of three) that were originally located on the site and the Brevard County Commission has approved \$500K in funding. The first building will be a museum/display cottage, operated by trained volunteer docents. It will provide historic information to students on isolated life for families living on the Cape in the 1880s & 90s.

With continued financial support of the community, we will accomplish this historic and important project.

Be a part of history, buy a brick!

The walkways that once linked the Lighthouse with the Keeper's Cottages are being re-bricked in a historically accurate manner.

**You can purchase a 4" by 8" brick for \$150.
Includes engraving of three (3) rows,
up to 12 characters per line. Insignias and art
designs available for an additional \$20.
All donations are tax deductible.**

Order online @ CanaveralLight.org, just click on "**Brick Walkway News**" at the top of the web page or mail this order form with a check to: Cape Canaveral Lighthouse Foundation, P.O. Box 1978, Cape Canaveral, FL 32920
