

December 27, 2019

As President of the Cape Canaveral Lighthouse Foundation (CCLF), I would like to invite you to participate in CCLF's Annual Sponsorship Program which supports the foundation's efforts to preserve the Cape Canaveral Lighthouse and provide public access to this unique national landmark. Unlike previous years, where the foundation offered event-only sponsorship opportunities, this year we are hoping to attract annual partners whose dollars will enable us to continue educating today's youth, promoting public awareness and making the full restoration of the lighthouse grounds a reality.

In 2020, CCLF is offering five unique sponsorship packages to choose from, which are detailed on the enclosed sponsorship registration form. All 2020 sponsors will be invited to participate in an exclusive Sponsor's Appreciation Day event which will include a tour of Cape Canaveral Lighthouse and the adjacent Air Force Space & Missile Museum's Hanger C, where fully restored historic rockets are on display.

Thanks to the generosity of our 2019 sponsors, members and private donors, last year CCLF hosted a number of events and activities, which included completion of the construction of the first of three Keeper's Cottages. Soon we will be unlocking the cottage doors to celebrate the grand opening of our long awaited Cape Canaveral Lighthouse Museum and Gift Shop. Our history education program also achieved a participation milestone, surpassing more than 800 fourth-graders from Brevard County Schools since the first field trip took place. We also hosted a variety of events this year including our "Night Under the Stars" Gala at the lighthouse; a membership appreciation event at Coast Guard Station Port Canaveral; a fundraising reception at the American Muscle Car Museum in Melbourne; and celebrated Descendant's Day with a luncheon at the lighthouse which included a preview of the Keeper's Cottage. And we hosted over 1,000 runners, walkers and supporters to our Second Annual Cape Canaveral Lighthouse Foundation Half Marathon and 10K "Run to the Lighthouse."

Cape Canaveral Lighthouse Foundation is a 501.c.3

We appreciate your support and I look forward to seeing you at this coming year's exciting events.

Sincerely,

RADM Jim Underwood, US Coast Guard (ret)
President,
Cape Canaveral Lighthouse Foundation
