

On behalf of the Cape Canaveral Lighthouse Foundation (CCLF), I invite you to become an Annual Sponsor. Your donation as a CCLF Sponsor will make it possible for us to continue our efforts at providing a first-class visitor experience to the lighthouse and museum while cultivating an appreciation for this historic landmark in our community.

Without question, the COVID-19 pandemic had a significant impact on our organization. Like so many along Florida's Space Coast, operations were anything but normal as we had to remain closed for several months. Thanks to contributions from our Annual Sponsors, we were able to continue our work and make several improvements along the way.

Picnic tables, rockers and benches were obtained and assembled. The exterior of the lighthouse was repainted. Numerous new exhibits and improvements to signage were completed in both the museum and the lighthouse, including a Wall of Honor within the museum which recognizes CCLF's major donors. Additionally, we overhauled our website to make it more user friendly and soon will add an online store to allow visitors to purchase items from our gift shop 365 days a year! Indeed, we kept busy, and at long last, our museum and lighthouse will again be open for public tours this month. While it still isn't "business as usual" just yet, we look forward to resuming our educational activities with Brevard County Schools and hosting community events in the coming year, providing it is safe to do so.

I hope you will consider the attached CCLF sponsorship package for 2021. The funding we receive from our sponsorship program is critical to the foundation's efforts to preserve the Cape Canaveral Lighthouse and provide public access to this unique national landmark. Your sponsorship also will enable us to continue educating today's youth, promoting public awareness and making the full restoration of the lighthouse grounds a reality.

I have attached a 2021 Annual Sponsorship Form, and deeply appreciate your consideration and generosity.

We appreciate your support and I look forward to seeing you next year at the lighthouse!

Sincerely,

Jim Underwood  
Rear Admiral, US Coast Guard (ret)  
President, Cape Canaveral Lighthouse Foundation
