

December 1, 2021

As President of the Cape Canaveral Lighthouse Foundation (CCLF), I would like to invite you to participate in CCLF's 2022 Annual Sponsorship Program. Our mission is to preserve the Cape Canaveral Lighthouse, by promoting public awareness and making full restoration of the lighthouse grounds a reality, while educating our youth and providing public access to this unique national landmark. The lighthouse was visited by 2148 visitors from 41 states in 2021.

In 2022, CCLF is offering five unique sponsorship packages to choose from, which are detailed on the enclosed sponsorship registration form. In addition to having your logo on display every day in the museum, outreach events are starting up and your sponsorship will be seen throughout the community. All 2022 sponsors will be invited to participate in an exclusive Sponsor's Appreciation Day event which will include a tour of Cape Canaveral Lighthouse and the adjacent Air Force Space & Missile Museum's Hanger C, where fully restored historic rockets are on display.

Thanks to the generosity of our 2021 sponsors, members, and private donors, we were able to keep the light shining during the Pandemic. We opened the keeper's cottage doors to celebrate the opening of our Cape Canaveral Lighthouse Museum and Gift Shop. In a continued challenge to return to normalcy we held our annual Descendants Day and Volunteer Appreciation Day. In October we held a very well attended fundraiser at the American Muscle Car Museum in Melbourne. As we wind down 2021 the lighthouse will be included on the Museums of Brevard Holiday Tour of Historic Homes. We are working with Brevard County Schools to begin field trips to the lighthouse again. Prior to the pandemic our history education program had surpassed hosting more than 800 fourth graders from Brevard County Schools on field trips. In 2022 we expect a full return to normalcy and will host Sponsor Appreciation Day, Descendants Day, Volunteer Appreciation Day, a fund raiser at the American Muscle Car Museum and a 5K/10K race which will begin and end at the lighthouse. As a sponsor, you will help make this possible and your name and logo will be visible at all these events.

Cape Canaveral Lighthouse Foundation is a 501.c.3

We appreciate your support and I look forward to seeing you at this coming year's exciting events as we work to "keep the light shining".

Sincerely,

Larry Ostarly

President,
Cape Canaveral Lighthouse Foundation
